

Our Partners

Partner with CASLT – Strengthen Ties to Advance Second Language Education in Canada

CASLT has formalized partnerships with many national and provincial organizations, departments of education, language associations and university based research centres. We feel these affiliations, with those having complementary goals, further advance second and additional language education in Canada, provide networking opportunities, and improve communications.

CASLT offers an Affiliate Individual Membership to teachers already members of a partner association.

Level 1 – \$15.00 + GST

Your association provides annual conference participants the option of including a CASLT affiliate membership on their registration form.

Level 2 – \$15.00 + GST + Rebate to partner group of \$5.00 per participant

The CASLT affiliate membership fee is automatically included within the registration fee for your annual conference. All conference participants receive CASLT membership.

Level 3 – \$15.00 + GST + Rebate to partner group of \$5.00 per participant

Members automatically receive a CASLT affiliate membership included in their annual membership fee. Should CASLT receive a direct request from an individual, reciprocal membership will be coordinated.

What Can CASLT do for our Association?

As a CASLT partner, you will receive:

- Added benefits and incentives for your members (Réflexions journal, language teacher calendar, and great discounts, etc.)
- Promotional support for your activities and projects (free advertising, conference listings in our online newsletters and in our publications. Reach over 4 000 educators across Canada)
- Sharing of resources through our pan-Canadian association network (exchange of newsletter articles and press releases)
- Professional development support at your conference (expert speakers for workshops and keynote presentations)
- Invitation to participate in the annual CASLT Networking Event (featuring an organizational capacity building workshop)

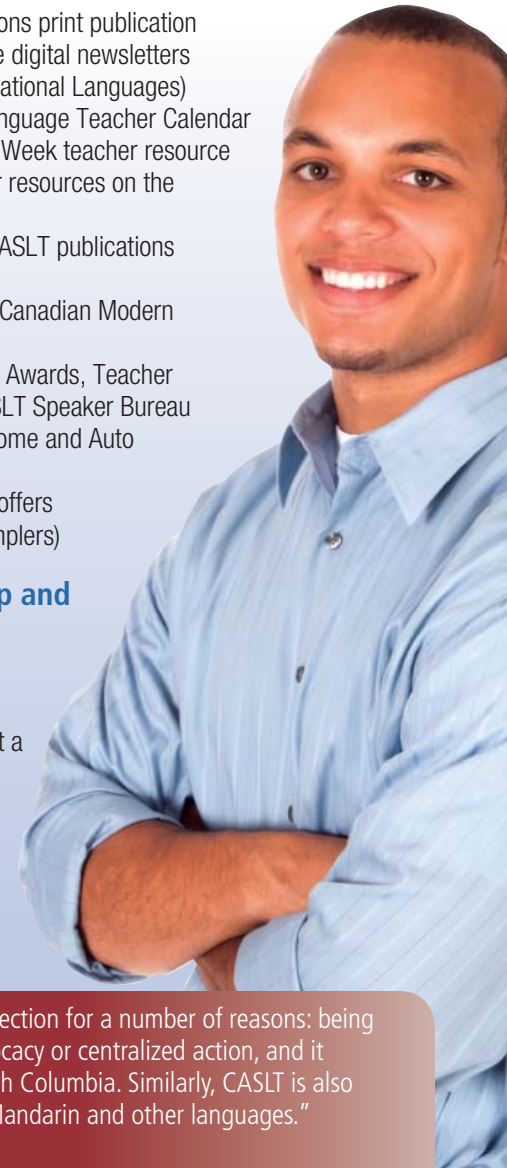

What Benefits Will our Members Get from our Partnership with CASLT?

Use your partnership with CASLT to increase your membership numbers! Sell your members on the idea that they will receive the following great benefits from CASLT as added value to their membership with your association:

- 3 issues of the Réflexions print publication
- 12 issues of our online digital newsletters (FSL or ESL and International Languages)
- Copy of our annual Language Teacher Calendar and French Language Week teacher resource
- Access to the member resources on the CASLT Web site
- Member price on all CASLT publications (40% discount)
- Reduced price for the Canadian Modern Language Review
- Eligibility for all CASLT Awards, Teacher Bursaries and the CASLT Speaker Bureau
- The Personal Group Home and Auto Insurance Program
- Free gifts and special offers (posters, resource samplers)

Levels of Partnership and Official Signing Opportunities

We are always happy to formalize all partnerships at a convenient time for your association and we welcome new partners from education communities. Contact our National Office to discuss partnering with us.

“The British Columbia Association of Teachers of Modern Languages appreciates the CASLT connection for a number of reasons: being plugged into the national scene allows us to achieve momentum on certain issues requiring advocacy or centralized action, and it also provides opportunities to let the rest of Canada know more about what we’re doing in British Columbia. Similarly, CASLT is also answering our call for increased opportunities and resources for teachers of Spanish, Japanese, Mandarin and other languages.”

Wendy Carr, Past President of the BCATML

The Canadian Association of Second Language Teachers
Promoting the advancement of second language teaching and learning.
